Lot 9 Blk 22 Camachile Street Dela Cruz
Subd. San Francisco Mabalacat City

PROFILE

I am mostly a self-taught developer due to pandemic and online classes. I have knowledge about Web Development using HTML, CSS, JavaScript, Bootstrap, and PHP. I also have basic knowledge about ReactJS. Also, I have troubleshooting skills when needed by searching or by identifying what is the problem that needs to be solved.

My objective is to enhance my skills more and grow as an IT Professional in your respective company.
